SHILSTONE ROCKS HAMEL DOWN 1995, brown mare Reg No: SR2\345 approx 12hh

Hamel Down SR1	>		
			>

Hamel Down has been a very safe steady first ridden for us in the riding centre. She has been hunted by a 10yr old boy, who had lost his nerve and has been a very dependable safe pony for complete beginners, taking small children out over Dartmoor. She is the dam of two stallions – both show winners and of a very successful gelding Hamelhill, who was sold at our last sale. Sometimes she does occasionally rub in the late summer/autumn, but has never been bad enough to wear a rug.

Lot no 17. Guide Price £2000

SALLY WARREN 1996, bay mare Reg No: SR1\367 approx 12 hh

Sire: >

Dartmoor Pony >

>

Dam: >

Dartmoor Pony >

>

Sally has been with us since she was a 2 yr old and has been used in our riding centre for the last 6 years. She is well behaved, but forward going and much loved by the children who ride her. Ridden in a bitless bridle by the less experienced child (as she has a very soft mouth) but goes well in a snaffle for those with good hands. Sally comes from a fast disappearing heard of heritage ponies, whose great grandparents were the foundation stock of some of the most successful registered ponies of today. She has quite a history, having been found beside her dead mother on the moor and then reared on cows milk! She has bred us some extremely nice foals one of which Headland Warren is retained by us and can be seen today.

Lot no 18. Guide Price £2000

Dartmoor Pony

A very sweet pretty pony, who was broken this summer. She is now going really well, hacking out on own and in company. She goes well in the school and is starting to work over poles. She will be a lovely pony for a child initially as a lead rein and then first ridden. Never been known to buck or rear.

Lot no 19. Guide Price £1250

SHILSTONE ROCKS DRAKES LEAT 2005, brown gelding Reg No: C2005/046. approx 12hh

Shilstone Rocks Warlord > Shilstone Rocks Rainy Day

Shilstone Rocks Sweet Fury > Shilstone Rocks Fury

Shilstone Rocks Mountain Sweet

Dam: Cawsand Thunder > Hannaford Lucifer

Shilstone Rocks Dunstone II > Cawsand Sundew

Dunstone > Dartmoor Pony

Dartmoor Pony

A superb gelding, half brother to Shilstone Dunna Brook, has been lunged and long reined. Unfortunately we have not had time to take him further due to an exceptionally busy summer in the riding centre. Therefore he is at an exceptionally reasonable price. He needs to go to an experienced home to bring out his great potential. A good looking sensitive gelding, who should go far in the right hands. Being by Warlord he should be a natural jumper.
